

Venue Name – Framfield House Surgery

**Framfield Medical Centre
Ipswich Road
Woodbridge
Suffolk, IP12 4FD**

At the moment we are not using Framfield house only the car park patients have no need to book into Framfield (if we are inside then through the main entrance and reception will direct you to the screening waiting area, this changes daily).

The van is wheel chair accessible but staff are unable to help users if they come on there own or have dementia or other conditions that they can not help themselves to wheel onto the ramp and hold on/put brakes on.

There is a waiting room they can use in the building but IHI staff are not able to care for them as they will be outside in the Van and Framfield will not be responsible able for the patient if waiting on there premises.

Patients may have to wait outside if arrive early/late, in there car or in the waiting room of Framfield as there is only 2 spaces inside the Van .
